#### A SCENT OF CHANGE

L'Esprit Cocon creates custom scented candles for grand hotels, luxury boutiques, concept stores and interior designers, perfuming the entrance halls, bedrooms and reception rooms of elite establishments with exquisite, unique signature fragrances. You may already know what you want your signature fragrance to be like, but if not, l'Esprit Cocon's creative team will spark your imagination and offer expert advice, helping you design your ideal candles and create the perfect custom fragrance for your image. L'Esprit Cocon offers a sensory journey and takes personalization to a new level - to the delight of its growing clientele.

#### THE ULTIMATE IN QUALITY

Savoir-faire, quality and authenticity are the hallmark of a l'Esprit Cocon candle. Guaranteed palm oil and GM-free, these superb scented candles contain no petroleum-based ingredients such as paraffin and are made in France from start to finish. The wax is hand blended by a master waxmaker using the finest plant-based ingredients and scented with Grasse perfumes, famed the world over for their subtle, delicate fragrances. As well as filling the air with their sublime perfume, l'Esprit Cocon luxury scented candles are things of beauty in their own right, exquisitely presented in decorative packaging that is sure to delight.
